The Paul Taylor Dance Foundation exists to support the artistic vision of Paul Taylor. The Foundation promotes, fosters and encourages understanding of the work of Paul Taylor as well as produces and disseminates the work throughout the world, both in performances by the Paul Taylor Dance Company and by other dance companies.

Dear Friends,

Fiscal 2012 was a spectacular year for the Paul Taylor Dance Foundation. We had an exceptional season at Lincoln Center and continued to tour Paul Taylor's work throughout the world. Mr. Taylor created two new works and we closed the year with a surplus.

Thank you for your support of our organization.
